

3rd Annual Panther Plunge

Presented by: Cliff Nelson

Motor Sports

Cliff Nelson Motor Sports, the East Windsor Parks and Recreation, and EW Human Services are teaming up to raise money to help East Windsor families heat their homes this winter by raising money and awareness for the East Windsor Fuel Bank. Individuals will have the honor of taking the plunge for just a \$15.00 donation; \$20.00 donations will get that “plunger” a 3rd Annual Panther Plunge t-shirt. Teams can come up with themes and join also for \$15.00 per person. Prizes will be given to the team and individual that raises the most money. To add fun to this event we are encouraging the “plungers” to come up with a theme and or costume for themselves and their teammates. Prizes will be awarded for best costume out of the water and best costume in the water. If you are interested in participating as a “plunger” and or sponsor in this year’s Panther Plunge, please let us know. We would love to have you participate. For more information, please call our office at 627-6662 or email us at

mmaltese@eastwindsorct.com we look forward to making this event a great success.

Please visit our website www.eastwindsorct.com for up to date information or for any forms that you may need for the event.
